

This detailed floor plan illustrates the layout of the 210th floor, featuring a central corridor and numerous rooms. Key areas include:

- Top Left:** A large conference room with a U-shaped table and 18 chairs. Adjacent to it is a smaller conference room with a round table and 6 chairs. A coat closet and storage area are also present.
- Top Center:** An existing reception area and a lounge.
- Top Right:** A break area and a storage room.
- Middle Left:** Two interview rooms, each with a desk and chair. A copy/print room is located nearby.
- Middle Center:** A large meeting area with several round tables and chairs. A collaboration area is also shown.
- Middle Right:** A series of private offices, each with a desk and chair. A storage room is located near the top right.
- Bottom Left:** A large open office area with many desks and chairs. A conference room is located at the bottom center.
- Bottom Center:** A large conference room with a U-shaped table and 18 chairs.
- Bottom Right:** A series of private offices, each with a desk and chair.

The plan includes various furniture items such as desks, chairs, tables, and storage units. Dimensions are provided for several areas, including 4'-0" x 5'-0", 8'-0" x 7'-2", and 8'-10". The plan also shows existing storage areas, a coat closet, and a copy/print room.
